

THE SECRETARY OF STATE
WASHINGTON

September 2, 1980

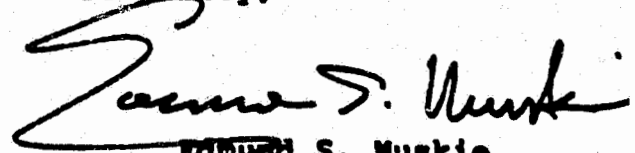

Dear Mr. Brassington:

I want to thank you and members of your staff for making my visit to San Francisco so worthwhile. I appreciated addressing such a distinguished and receptive audience. The questions were excellent, and I found the entire event stimulating.

I thoroughly enjoyed my brief stay and I know that this was in large measure due to your efforts and those of the Commonwealth Club.

With best wishes, I am

Sincerely,

Edmund S. Muskie

Mr. Michael Brassington,
Executive Director,
Commonwealth Club of California,
Monadnock Arcade,
